

## **Ralco Tubings Ltd | Modern Slavery Policy Statement**

Modern Slavery is a crime and a violation of fundamental human rights. Slavery can take a wide number of forms including, forced and compulsory labour, exploitation, having restrictions on freedom of movement and human trafficking, all of which have in common the deprivation of a person's liberty by another in order to exploit them for personal or commercial gain.

Ralco Tubings Limited (We) is fully committed to acting ethically, with integrity and transparency in all its business dealings and relationships. We are further committed to implementing and enforcing effective systems and to ensure that slavery in any of its forms does not take place in our business or in any of our supply chains.
